REQUEST FOR CERTIFICATE OF CORRECTION PURSUANT TO 37 CFR 1.323

Dear Sirs:

Patentees respectfully request a Certificate of Correction to be issued for the above-identified U.S. Patent correcting the patent as noted in the attached "Certificate of Correction" Form PTO/SB/44.

The error now sought to be corrected is an inadvertent typographical error. For example, the Assignee name "Kekisi" on the cover page, column 1, line 10 of U.S. Patent No. 6,740,290 B2, should read --Kekesi--. Therefore, correction does not involve such changes in the patent as would constitute new matter or would require reexamination. The errors set forth in the proposed Certificate of Correction were the fault of the Applicant. Accordingly, the required fee of \$100.00 is submitted herewith.
